

BOOK REVIEW by Brian Stewart of
THE TWO KINGDOMS by Lim Kou

I heartily endorse *The Two Kingdoms* by Lim Kou. It defines the basic issues involved in our walk with the Lord in this fallen world. The teachings are full of clarity and insight, making it an excellent discipleship tool for all believers. Coordinating the printing of this excellent book in Cuba has been a great privilege for me. The vast majority of Christians on the island have come to follow Jesus in just the past 15 years, and churches of all denominations continue to grow at a rapid pace. The heartcry of all my colleagues there is for discipleship material that will help believers truly follow the Lord they have believed in. Lim Kou's book addresses this urgent need in a powerful way and helps Christians understand how to live for the Lord on a daily basis.
